Note :

All men's and women's swimwear is lined in front, unless, requested otherwise. The content of the nylon/lycra swimwear, is, in general, 78% nylon, 22% lycra. Wet Look fabrics (#001- #025) are less stretchy than Rachel and Triot fabrics. Metallic and liquid metal fabrics are delicate fabrics. Most items are sized , XS through XL. Smaller or larger sizes are available through our Special Order Department. We use the finest 025 X 6/16" rubber elastic available.

Note :

The content of most of the cotton/lycra fabrics is 90% cotton, 10% lycra. The weights of the cotton/lycra fabrics are in the 10.5oz to 12.0oz. range. The striped fabrics are cut against the grain to keep the stripes vertical. Striped items will fit slightly different from prints and solids. Heat from dryers will shrink the items somewhat in the length, and decrease the fit of the elastic. Do not bleach cotton/lycra items. Please follow the care instructions provided with your order to insure long lasting fit of SKINZ products v.10.2
