We have done our best to reproduce the actual colors of the fabrics "as they are". The printed medium does not allow perfect reproduction. The fabrics are much more intense and luminous in real life. If you like them here, you will love them when you put your eyes on the real item! Sometimes the web does a better job with colors because there is no CMYK-RGB conversion. 2027 Gulf to Bay Blvd. • Clearwater, FL, 33765-3711 • Ph. (727) 441-8789 • FAX (727) 442-2476 • skinz@skinzwear.com

Thank you for considering the SKINZ brand of swim and workout wear. I hope you will give us a try. There are a few things you should know about us, before you begin your order. We are the manufacturer of the SKINZ apparel product. Everything is handmade by us in Clearwater, Florida, USA. Our aim is to make the highest quality and finest fitting swimwear and workout wear. Our prices are reasonable. Our product is the very best you can buy, no matter how much money you have to spend. We have been doing this for over 10 years, let us show you why our customers are our best sales people!

Warranty>Returns: Our suits are warranted against defects in the construction of the item. We will replace any defectively manufactured item. Wear and tear, fading and shrinkage are not defects, but effects of too much fun in the sun! You must call (727-441-8789) or e-mail (skinz@skinzwear.com) for a return authorization number and put that number on the outside of the return package. Returns are for **exchange** only and accepted for 30 days after purchase. **No refunds.** Return items must be unworn with tags attached. All shipping and insurance charges will be paid by the consignee.

Fabric Content: The fabric content of nylon/lycra is, in general, 78% Antron nylon and 22% Lycra. The content of our cotton lycra is 90% cotton, 10% Lycra. Some of the fabrics are of limited quantity. Shippable items are dependent on yardage, 'in stock'. Call or e-mail us for yardage inventory. You will receive care instructions with your order to help extend the life of your purchase. Follow these simple rules!

Specialty Fabrics: We import, through Los Angeles and New York specialty fabrics from around the world. These can be quite expensive and we do pass that expense to the customer. You will note items made with these fabrics are \$5.00 to \$20.00 more expensive, depending on the amount of fabric used. The stretch vinyls (860,867,868 and 869) run "small", we strongly suggest ordering 1 size larger than you would normally in these fabrics. The metallic fabrics (824,826,829) the indescant fabrics (851,852,853) and the stretch vinyls (860,867,868 and 869) are more delicate than the other fabrics and as such have a shorter life span. It's like the cliché, "the candle that burns brighter, burns shorter." So true. Save items in these fabrics for special occasions.

Stretch Vinyl: The stretch vinyls (860,867,868 & 869) are unique fabrics. The process involves bonding a thin sheet of stretchy vinyl to nylon/lycra®. The nylon/lycra® is stretchier than the vinyl. If the size you choose is too small and the fit is too tight the two materials will separate (delaminate). Order one size larger than your normal size. These fabrics are for costumes and special occasions. **They are not for sports and exercise activities.** In time they will begin to look like leather as they crinkle. Eventually they will delaminate.

Special Orders: Since we are the manufacturer, we do offer some flexibility in the items you can order. Ladies can order tops and bottoms in different sizes and styles (mix & match). Color/Fabric codes are three digit numbers. Styles are letter codes. If you want a particular style item, in a fabric not shown, you may order that "special cut" item from our special order department. There is a \$3.00 charge to make a special cut item. These special cut items are made one at a time, and the \$3.00 is to cover the much higher labor cost to make this suit. These custom order suits are not returnable. Don't throw your old catalogs away. We change styles from year to year but we can always make your old favorite in our new fabrics. Please allow up to 6 weeks during 'season' for us to make your 'one of a kind' suit. All special order suits are pre-paid, and, are not returnable. If you are paying by check or money order, call for an accurate total. Customers in the past have asked us to **leave out the lining** in the swim wear. We will do this for you. It is a 'made one at a time' suit from our special order department, will cost you \$3.00 extra, and, is not returnable.

Previous Styles: Every year we add new items (styles) to the line and remove some styles from the line. We constantly listen to the comments of our customers and try to give you what you want. Some of you may have a preference for a style we might have "discontinued". Have no fear, we don't throw away patterns. We will make any style we ever have made, for you, in any fabric we still have on hand. The \$3.00 charge for this service does apply. We suggest you hold onto your old catalogs and use them as a reference for our 'inventory' of styles. We do have a limited number of 1998 and 1999 catalogs we can send you with your next order.

Shipping : We ship via UPS in the 48 states for \$7.00. This \$7.00 will cover up to about 6 swimsuits (1 pound). We ship U.S. Priority Mail to P.O. Boxes and APO addresses. Upgraded shipping via UPS include : 2 day (Blue), \$12.00, and next day (Red), \$21.00. Alaska, Hawaii and Puerto Rico can be shipped a variety of ways, usually the faster, the more expensive. Remember, we can't ship what we don't have, so if you need it quick, verify that it is in stock ! You can track your UPS package on-line at www.ups.com (tracking by reference number). You will need to call or e-mail us for your invoice/reference number and our shipper number.

International shipping starts at \$17.00 for a order of \$100 or less via U.S. Global Priority. Faster, more expensive carriers are available. Call or e-mail us for more accurate quotes. The above shipping charges include : the packaging material, the freight fee, the packaging labor, the paperwork labor, the travel to the postal centers and , the wait at the postal centers. Be prepared to pay \$40.00 or more for Fed Ex, UPS and DHL International services. **All duties and taxes are paid by the customer (this means you !)** The most economical shipping to Canada is via U.S. Mail for \$7.00.
