Thank you for considering the SKINZ brand of swim and workout wear. I hope you will give us a try. There are a few things you should know about us before you begin your order. First and foremost, we are the manufacturer of the SKINZ apparel product. Everything is handmade by us in Clearwater, Florida, USA. The buck stops here with us.

Warranty & Returns : Our suits are warranted against defects in the construction of the item. We will replace any defectively manufactured item. Wear, snags, tear, fading and shrinkage are not defects, but effects of too much fun in the sun! You can return unworn suits with the hang tags still attached for exchange within 30 days of purchase. No tickie, no washee. Don't pull the hang tags off till you are sure the suit fits! **No refunds.** We are not out to take advantage of you. We have been in business in Clearwater for 15 years and are not going anywhere. We will treat you the way we would wish to be treated. We do reserve the right to charge you a 20% re-stocking fee if we feel you are trying to take advantage of us. Example : someone who orders a lot of stuff, then returns most of it for no good reason.

Fabric Content, Availability and Care : The fabric content of nylon/lycra is, in general, 78% Antron nylon and 22% Lycra. The content of our cotton lycra is 90% cotton, 10% Lycra. Some of the fabrics are of limited quantity. Shippable items are dependent on yardage, 'in stock'. Call or e-mail us for yardage inventory. You will receive care instructions with your order to help extend the life of your purchase. Follow these simple rules!

Specialty Fabrics : We import, through Los Angeles and New York the finest specialty swimwear and gymwear fabrics from around the world. These can be quite expensive and we do pass that expense to you the customer. You will note items made with these fabrics are \$5.00 to \$20.00 more expensive, depending on the amount of fabric used. The stretch vinyls (1860,1867,1868,1869 & 1871) run 'small', we strongly suggest ordering 1 size larger than you would normally order. The metallic fabrics (1845,1874 & 1875) and the stretch vinyls (1860,1867,1868,1869 & 1871) are more delicate than the other fabrics and as such have a shorter life span. It's like the cliché, "the candle that burns brighter, burns shorter." So true..Save these items for special occasions.

Stretch Vinyl : The stretch vinyls (1860,1867,1868,1869 & 1871) are unique fabrics. The process involves bonding a thin sheet of stretch vinyl to nylon/lycra®. The nylon/lycra® is stretchier than the vinyl. If the size you choose is too small and the fit is too tight the two materials will separate (delaminate). Order one size larger than your normal size. These fabrics are for costumes and special occasions. They are not for sports and exercise activities. In time they will begin to look like leather as they crinkle. Eventually they will delaminate. Accept that, ok? Fabric 1870 has no stretch at all and will only be used for T3 and B3 styles.

Special Orders : Since we are the manufacturer, we do offer some flexibility in the items you can order. Ladies can order tops and bottoms in different sizes and styles (mix & match). Color/Fabric codes are four digit numbers. Styles are letter/number codes. If you want a particular style item, in a fabric not shown, you may order that "special cut" item from our special order department. There is a \$5.00 charge to make a special cut item. These special cut items are made one at a time, and the \$5.00 is to cover the much higher labor cost to make this suit. These custom order suits are not returnable. Please allow up to 6 weeks during 'season' for us to make your 'one of a kind' suit. This means don't wait until 3 days before your vacation to call us, plan ahead and order early! . All special order suits are pre-paid, and, are not returnable. If you are paying by check or money order, call for an accurate total. Customers in the past have asked us to leave out the lining in the swim wear. We will do this for you. It is a 'made one at a time' suit from our special order department, will cost you \$5.00 extra, and is not returnable.

Previous Styles : Every year we add new items (styles) to the line and remove some styles from the line. We constantly listen to the comments of our customers and try to give you what you want. Some of you may have a preference for a style we might have 'discontinued'. Have no fear, we don't throw away patterns. Don't throw your old catalogs away. We will make you any style we ever have made in any fabric we still have on hand. The \$5.00 charge for this service does apply. We suggest you hold onto your old catalogs and use them as a reference for our 'inventory' of styles. We do have a limited number of 1998, 1999 and 2000 catalogs we can send you with your next order, if you so request.

Padded Tops : We can add 1/2 push up pads to the underwire swimwear tops (T8, T9, and T10) for a fee of \$10.00. Add a "P" to the style code (ie T8P,T9P and T10P). We can add a thin foam pad to the triangle top (T1) for the same \$10.00 fee. This gives a little fullness and eliminates "nipple show". Order style (T1P). All padded tops are special order items. Allow us time to make them for you.

We import and use a variety of fabrics from a variety of vendors. Not all lycra based fabrics behave the same. Some are stretchier than others. A suit in #1474 will fit differently than a suit in #1008 . A suit in #1869 will fit differently than either of those. That is the nature of the lycra based fabric beast. We can help you decide the best size for you. Special orders are not returnable, so it's imperative you guess the correct size on these items. Order vinyls (1860 - 1871) one size larger than normal. * special order sizes
