All prices in this catalog are in U.S. dollars. We accept : Visa, MasterCard, Discover, American Express, Pay Pal, money orders, bank wires, and checks. We run personal checks with street addresses through the Certegy check system for approval and immediate processing. Products must be returned within 30 days of purchase, for exchange or store credit only. You must call for a return authorization number. Items for exchange must be unused with tags attached and the return authorization number on the outside of the box. No refunds. All shipping and insurance charges will be paid by you. Special cut items are non returnable.

Our speciality is special and custom orders. You can order any of the items we make in any of the fabrics we have in-stock. Many of our customers get quite creative with color and print choices. Express yourself. It is quite common for customers to order items with no lining (even meshes and lace). Every time you order an item **your way** : in a special fabric, in a special size, without lining, with PEP* lining, or any other special requests, there will be a \$10.00 fee added to the base price of the item. It is well worth \$10.00 to get a suit handmade expressly for you. *Note : we have a secure custom order form on-line within our web-site, however, we suggest calling 727-441-8789 and talking to a real person about what you want. As you complete the order form below, add a \$10.00 *Special Charge* to any order of a non-standard item. Suits **as they are pictured in the paper catalog for 2011** are considered "standard". Please circle your lining choice : front lined, special PEP* lining (selected suits only) or front unlined.
