**SKINZ® shipping policies :**

The prices (bottom right) can change if our shipping companies decide to raise prices after this catalog has been printed. Trust me, they won't be lowering prices. You can track your UPS (www.ups.com), USPS (www.usps.com) or FedEx (www.fedex.com) packages on-line. Send us an e-mail with your last name and zip code and we will send you your tracking number.

As a disclaimer (excuse), we make and sell swimwear. We are not a shipping company. We use UPS, FedEx and the U.S. Postal Service. If they screw up, yell at them, then let us know, with a kind attitude. We are always trying to upgrade the shipping companies we use. Do not wait until the last minute to place your order for your vacation. Plan on the shipping companies taking an extra day or two. They are people, too, and not always perfect.

International shipping **starts** at \$19.00 for an order of \$100 or less via U.S. International Priority to most countries. Sometimes we have to ship via U.S. First Class or Registered Air Mail. Faster, more expensive carriers are available. Call or e-mail us for more specific quotes. Our shipping charges include : the packaging material, the freight fee, the packaging labor, the paperwork labor, the travel to the postal centers and the wait at the postal centers. Be prepared to pay a minimum of \$35.00 for FedEx, UPS and DHL international services.

**All duties and taxes are paid by the customer (this means you!)**

Remember, we can't ship what we don't have, so if you need it quick, verify that it is in stock ! (727) 441-8789 or skinz@skinzwear.com. Our aim is to make the highest quality and finest fitting swimwear and workout wear. Our prices are reasonable. Our product is the very best you can buy, no matter how much money you have to spend. We have been doing this for over 25 years. Let us show you why our customers are our best sales people !
